

Estate Manager

East London

£50,000

Summary of position:

- New opportunity to manage large mixed-use scheme
- Overseeing team of on-site staff
- Vibrant, new development based in East London

Job details:

We have a new opportunity for an experienced Estate Manager to oversee the day to day running of a new, vibrant mixed-use development in East London.

You will have full responsibility for the day to day running of a large (800 units plus) development. You will have responsibility for a team of on-site staff ensuring a high level of presentation and service across the development. As well as liaising with residents you will be ensuring the development complies to all Health and Safety and Fire regulations, the site is well presented and staff are motivated. You will also have responsibility for creating a strong community spirit on site and you have the ability to resolve a range of issues.

We are looking for an experienced Property Manager or Estate Manager, ideally someone with experience on larger sites. You should be a strong communicator with the ability to deal with a range of technical issues. The successful person can expect an excellent salary along with excellent back-up and support from our client. Please forward a full CV in the first instance.
